

Directive No. (2) Of 2024

Regarding The Imposition of Definitive Anti-Dumping Duties Against GCC Imports of Electrical Connectors, Switches, Sockets and Plugs for a Voltage not exceeding 1000 Volts (Originating in or exported from People's Republic of China)

- With reference to the Decision of the Ministerial Committee NO. (13) on 31 July 2024. Regarding the investigation against GCC imports of Electrical Connectors, Switches, Sockets and Plugs for a Voltage not exceeding 1000 Volts -(Product under investigation) from The People's Republic of China and based on the Permanent Committee's decision No (56/AD12/2024) of Anti Injurious practices in the International Trade.
- And Pursuant to Article (3-15) of the Federal Law No (1) For the year 2017 on antidumping, countervailing and safeguard measures which stipulates that: "The Ministry shall coordinate with the concerned Governmental Authorities in the Country to implement all the decisions issued by the GCC competent Bodies in relation to the GCC investigations against injurious practices in international trade that cause injury to the GCC industry."
- And whereas the Article (3-13) of the Federal Law No. (1) For the year 2017 on antidumping, countervailing and safeguard measures which stipulates that: "The yield of imposing the definitive antidumping duties on the imports of the product under investigation shall be deposited at the country's treasury after deduction of the fees of service performance that are determined via coordination among the Ministry, Customs Authority and Customs departments".

All economic operators and concerned Governmental Authorities in the Country shall apply the definitive antidumping duties, as follows:

- 1. Country subject to the definitive antidumping duties:** People's Republic of China.
- 2. Product under investigation subject to the definitive duties:** Electrical Connectors, Switches, Sockets and Plugs for a Voltage not exceeding 1000 V.
- 3. Tariff classification of Product subject to the definitive antidumping duties:** The product subject to the definitive antidumping duties is classified under the following GCC-Unified Tariff Codes: (853669; 853650; 85444291; 85444221).
- 2. Duration of the definitive antidumping duties:** The definitive antidumping duties shall enter into force for a period not exceeding 5 years starting from the date 26 September 2024.
- 3. Form of the definitive antidumping duties:** The definitive anti-dumping duties shall take the form of ad valorem duties as percentages of the CIF value according to the following table:

Country	Exporters/Producers names*	Dumping margin as a percentage of the CIF value
People's Republic of China	ZHONGSHAN VISBO ELECTRICAL CO., LTD.	11.3%
	FOSHAN VPON ELECTRIC CO., LTD	17.1%
	ZHEJIANG TAO'S ELECTRIC CO., LTD	11.3%
	Not selected Chinese Exporting Producers (Attachment1)	12.2%
	Others	42%

7. Payment of the definitive antidumping duties:

The definitive antidumping duties shall be paid at the Directorate of Customs by the stakeholder party, as per the following:

7.1 The dumping margins shall be applied to the companies and according to the percentages mentioned in the above table, being a percentage of the value of Cost, Insurance, and Freight (CIF).

7.2. For determining the value of CIF, it shall be required to attach an attested commercial invoice. Contrary to the abovementioned, the dumping margin shall be applied as a percentage of the value of CIF imposed on the other companies.

Therefore, we call all the economic traders and the relevant governmental bodies to comply necessarily with all the particulars mentioned in the present circular and to work accordingly as of the date of issuance thereof.

Abdulla bin Touq AlMarri
Minister of Economy
